From the Founder's Desk

Warmest greetings to each one of you!

It fills my heart with immense pride and excitement as we gear up for the International Competition 2024, set to take place in vibrant India from 14th to 15th December 2024.

This global gathering of young, talented minds symbolizes the pinnacle of what UCMAS stands for: Unleashing the Infinite Potential of Every Child. This event is not merely a competition; it is a celebration of learning, perseverance, and the global UCMAS spirit.

A Message for Parents & Instructors:

Your support and encouragement are the foundation of the success and achievements of these young minds. By standing beside them, nurturing and mentoring the young achievers, you all have played a pivotal role in shaping their journey to come far until they perform on this international stage.

Regardless of their outcomes to this competition, your pride and satisfaction are the most invaluable and undoubtedly inspire them to excel not in academics but in life too.

I eagerly look forward to witness the extraordinary performances, celebrate the achievements and share the joy of this global event with all of you and our UCMAS kids. Let's together make the UCMAS International Competition 2024 a memorable success.

Wish everyone the very best and may your hard work and dedication lead to triumphs, victory and unforgettable experience.

Every parent will be asked to be seated in their defined section, which will correspond to the small set of rows where your child will be seated. Once the competition ends and papers are collected, the stage Emcee will announce a particular Section of parents to come down to the hall and pick up their respective child. This will ensure no crowds and chaos inside the hall while picking up your child.
- Kindly follow the instructions of the volunteers and support us make your experience good.

Important Info About Question Paper

- The time limit for each visual competition category is 8 minutes.
- Students appearing for Foundation to Intermediate B Level categories will have 2 sheets of papers, whereas those for Higher A to Grand Level will have 3 sheets.
